

PETITION TO SUPPORT WATER FOR AGRICULTURAL PRODUCTION

We, the undersigned, hereby implore the State Commission on Water Resource Management, when setting interim instream flow standards for East and West Maui streams, to ensure that an adequate amount of water is available for off-stream uses which includes sugar cultivation by HC&S, ranching in Upcountry Maui, farming in Kula Agricultural Park, and for other agricultural purposes to sustain the many economic and social benefits provided by the agricultural industry to the State of Hawaii and the community .
